

## **PALANCA means PRAYER**

**The ability to pray for one another is one of God's greatest gifts to us.**

Palanca is offering a prayer to our Lord in the name of a special person or a special weekend to draw closer to Christ. Some people light a candle as they pray, some say a rosary, and others review a piece of scripture. Palanca is the time you spend in prayer, sacrificing your time or other activities to just be with Christ as you ask His blessings in the name of that special person or special weekend.

Plan your prayers and sacrifices carefully to make sure that you have left enough time to fully complete the prayers you are planning.

Pray for the Spiritual Success of the Cursillo Weekends that are happening, not only in the Diocese of BC, but through out the year and all over the world. Pray for the Lord's presence, for harmony, for protection from evil, for the work of the Holy Spirit, pray for the candidates as they go forth on their Fourth Day, and pray for them to find a Reunion Group.

*The prayer of a righteous man is powerful and effective!* James 5:16b
