

Cursillo 2010

Cursillo is ... an experience of God and community that starts with a retreat. It is designed for Christians who seek growth in their faith and in commitment to their Christian community. It is the goal of Cursillo to guide participants into an ever closer and more personal relationship with Christ, to heighten their joy, deepen their faith, and invigorate their life in Christ.

Cursillo is ... a spiritual pilgrimage, an opportunity to listen and learn, to relax free from the distractions of the world, and to reflect on your own faith and relationship with God.

Cursillo is...a church movement designed to renew the faith of Christians, to transform the environments in which they live and work, and to form a community of believers to support each other in their spiritual journeys.
